01 EXECUTIVE SUMMARY & INTRODUCTION

G Interior and Property Services Ltd is a Lagos-based interior design and property development company established in 2015 by Egbuleze Godwin. The company began with interior designing and expanded into housing development and related property services.

The business was founded to give clients value for their money and to address housing and accommodation problems. Its stated foundations are honesty, integrity, quality, delivery and client satisfaction.

The company reports delivery of over 35 housing project units within three years and identifies completion of an 18-unit housing project in one year and three months as a major achievement.

The strategic direction is to deliver more affordable housing, expand beyond Lagos, grow interior design services and help more Nigerians become homeowners.

> *“Quality housing. Honest service. Value for money.”*

Proposed synthesis only; not an existing official tagline.

POST-PROJECT / MAINTENANCE

Maintenance support is available for people who buy from the company.

11 MESSAGING FRAMEWORK

ELEVATOR PITCH — PROPOSED

G Interior and Property Services Ltd is a Lagos-based property development and interior finishing company established in 2015. We focus on quality housing, honest service and value for money, serving Nigerians locally and in the diaspora while building toward a future where more Nigerians can become homeowners.

COMPANY MANIFESTO — PROPOSED

> *We believe a property is more than a structure. It is a place to live, a long-term investment and a reflection of the value a client expects to receive. Our work is guided by honesty, integrity, quality and delivery.*

VALUE PROPOSITION

Housing development and interior solutions delivered with a focus on quality, trust and value for money.

BRAND PROMISE — PROPOSED

> *Building Value. Creating Homes.*

12 PRACTICAL BRAND STANDARDS & APPLICATIONS

BUSINESS DOCUMENTS

Use the approved logo, blue/orange/black/white palette, clear section hierarchy and generous white space.

PROPOSALS & COMPANY PROFILES

Lead with the company’s purpose, relevant project evidence, service scope, client process and contact information. Avoid unsupported claims.

PROPERTY MATERIALS

Clearly identify property type, location, price where approved, key features, availability status and relevant terms.

APPROVAL CONTROL

Sensitive claims, client names, confidential information and legally significant statements require management approval before publication.

13 PHOTOGRAPHY & EDITORIAL ART DIRECTION

The company has not supplied a detailed photography style. The following is a proposed direction designed to communicate its corporate positioning and actual work.

SUBJECT MATTER

Completed housing projects, interiors, exterior finishing, architectural details, construction progress where approved, site context and authentic client-ready spaces.

LIGHTING

Natural daylight, balanced interior light and clean exposure.

COMPOSITION

Clean architectural framing, straight verticals, balanced compositions and enough context to communicate scale and quality.

PROHIBITIONS

Avoid misleading edits, unapproved client identities, confidential project information and images that materially misrepresent a property.

14 GO-TO-MARKET & MARKETING ARCHITECTURE

VISIBILITY ENGINE

The company’s stated marketing goal is to be very visible so people can see what it does.

CONTENT PILLARS — PROPOSED

- Property showcases
- Project progress and completed work
- Interior finishing and design education
- Trust and due-diligence education
- Company story and achievements
- Client-focused service explanations

CADENCE

The company wants to post “all the time”; a formal posting calendar should turn this into a sustainable schedule.

SUCCESS MEASURE

The company identified weekly sales as the desired marketing result.

15 BRAND GOVERNANCE & VERSION CONTROL

APPROVAL AUTHORITY

Company Bible: CEO / shareholders. Website content: MD.

PUBLICATION CONTROL

Claims, promises and sensitive information must be approved before publication. Client names should not be published. Applicable legal and regulatory requirements must be observed.

VERSION CONTROL

Recommended file convention: GIPS_DocumentType_ProjectName_Version_Date. Example: GIPS_CompanyBible_v1.1_2026-09-20.

FINAL BRAND FOUNDATION

Mission: To deliver affordable housing units. Vision: To create value for the people. Business focus: housing/property development and interior design/finishing. Current market: Lagos. Planned expansion: Abuja and Port Harcourt. Future target: 200+ housing units in less than three years.

APPROVAL & BRAND CONTROL

This Brand Strategy is a structured draft based on the company’s supplied questionnaire responses. It is designed to become the reference point for the website, marketing, corporate documents and future brand applications.

The CEO/shareholders have final approval over the Company Bible; the MD has final approval over website content. Claims, confidential information, client names and legally significant statements require approval before publication.

LOGO APPLICATION

The company logo supplied with the project is integrated into this version’s cover. Future corporate documents should use the same approved logo file without stretching, recoloring or altering its proportions.
